#### CSSTL Board Rule Change Vote - November 19, 2010

Richie McDowell, Denver, CO

The vote was on the 1 run rule for innings 2-6 verses the lower division team automatically gets 1 run each inning from the 2nd - the 6th. It was an 8 to 5 NO vote. The measure did not pass. There is no change in how the extra run is given to the lower division team. The lower division team gets one run, each inning 2 through 6, even if they score 5 runs on their own.
