The league will go on as usual!!! If you have any questions, please contact anyone of the members. Listed below are the items the Board agreed upon:

[CSSTL Schedule](#)

* **Schedule:** There will be no changes. We will play June 19th @ Skyview in Colorado Sp. We are very cognizant of the safety issue with the fields. However, we do not have any other where we can relocate at this late notice. Note...since we have had problems the last 2 year your chance for somebody who lives in Co. Sp. to find a suitable replacement for next year you keep some games down south...don't wait! Also, the rainout date of June 26th in West now an official play date! We have no more rain outs. If we have to cancel any Saturday game forward, it will not be rescheduled. We must keep the two dates of August 21st & 28th for of Season tourney.

August 28th: Vipers @ Kennedy (if necessary).

* **Pitcher Protection:** this league has never had a pitcher protection rule. We encourage sa for a pitcher, this would include head gear, shin pads and a chest protector, but as with eve player, you play at your own risk, so protect yourself accordingly.

* **Webmaster:** if possible, put this on our website, along with all other noted corrections. Richard

Minutes of May 15, 2010 CSSTL Board Meeting

Secretary,

Richie McDowell

**CSSTL Annual Meeting January 23, 2010
By Richie McDowell, Denver, CO, January 23, 2010**

Commissioner: nominated and elected Charlie Davis.

Board of Directors: nominated and elected Bert Hertzke Vince Gavdos Randy Pear

Richie McDowell, Bob Spada and Jeff Schumaker.

Officers: nominated and elected Bert Hertzke as Treasurer and Richie McDowell as Secret

Website: approved and retained Richard Richardson as Webmaster; Charlie Davis will purs
advertising revenue from sponsors.

Teams: appears we will still have 14 teams...Scrap Iron 50's have dropped out, but Pitchers
up to also include Diamonds, while Tweet will become Renegades. We will still maintain
Divisions(upper does not play lower; crossover run rule on interdivision); seedings are still 1
determined by Board and will be redone at mid-season.

Softball fields and dates: Kennedy is not an option this year; much discussion and Board w
approval to do the best they can given circumstances(Commissioner to work on new policy
we don't run into same problems next year). Update to Annual Meeting is that Board is tryi
establish the following, which includes 3 rain out dates as we've always had...3 days @ Sch
(Kipling & Hampden); 2 days @ Loveland; 1 day @ Evans; 4 days @ Westminster; 3 days
Colorado Springs. Proposed Saturday's we'll play on are as follows: April 17; April 24; M
8; May 22; June 12; June 19; June 26; July 24; July 31; August 7; August 21; August 28.

Budget: still to be determined since we don't know what fields we'll be playing on and their
costs; tentatively plan on \$750 as team entry fee(same as last year); unless league brings in 1
revenue, we will have no prizes; bank balance @ \$2,665.83(need to prepay for 3 rain outs)

Rules: only change is time frame on games...last regular inning is @ 60 minutes, with follo
inning being "open", so coaches need to have watches. CSSTL uses SSUSA rules, unless
noted. They are always posted on the website. We had much discussion on other rules, in
coaches responsibility as umpires, batter's count, teams short of players, home runs, pitching
team, strike mat, maximum 5 Major/Major Plus players under age 60 and senior ladies...but
remain the same.
