

SSUSA TOURNAMENT INSURANCE CONFIRMATION NOTICE
2701 K ST, SUITE 101A, SACRAMENTO, CA 95816

TOURNAMENT: **Colorado Senior Softball Travel League**

LOCATION: **Denver, CO**

NUMBER OF TEAMS: **(15) Teams**

EFFECTIVE DATES: **January 1, 2011 to December 31, 2011**

ATTENTION: **Rick Hertzke – League Treasurer**

This notice is confirmation of your insurance coverage which includes general liability and accident coverage for the parks you use, and for all the club / league officials, participants, coaches, managers, volunteers and spectators involved with the program.

All paid SSUSA/ISA umpires and volunteer unpaid umpires are provided liability coverage. Paid umpires working for an association other than SSUSA or ISA must provide their own liability coverage. Paid SSUSA/ISA umpires must be covered by an inexpensive accident policy. Accident coverage for volunteer unpaid umpires is provided under the umbrella policy.

Here is the coverage you receive:

Liability Coverage:

Most owners of fields – whether it is a city or a private owner – require that you carry an “additionally insured” liability policy on them and their facility. This is a liability policy that covers them in case of a lawsuit.

This liability policy also covers general liability claims against your tournament, its officials, participants, coaches, managers, volunteers, spectators, paid SSUSA/ISA umpires and volunteer unpaid umpires.

The liability portion provides \$2 million each occurrence for personal injury and products, \$100,000 fire damage (per fire), with a \$0 deductible per claim.

Accident Medical Coverage:

The accident medical portion of your coverage (which is now required in order to get the liability protection) is designed as a secondary medical policy to cover major claims after the primary health policy benefits have been exhausted.

The accident portion covers all participants, coaches, managers, volunteers, spectators and volunteer unpaid umpires. The coverage includes \$25,000 medical benefit per claim (with a \$2,500 deductible), \$5,000 accidental death / dismemberment per claim.

Paid Umpires:

Paid SSUSA/ISA umpires receive up to \$25,000 in medical benefits per claim and \$5,000 in accidental death / dismemberment per claim. To be insured, other paid umpires must be covered by their respective association or provide their own insurance.

Insurance Binder:

We will send you an insurance binder that names the field that is covered and the address of the field so that you have it for the tournament and / or league play.

Equipment:

Under our insurance, you may use the Miken Ultra II and Synergy bats and all bats meeting the original 1.201bpf standard.

The official SSUSA softball is the Trump 44 COR, 375 compression ball.
